

The word 'KARI' is rendered in large, three-dimensional letters that resemble marquee signs. Each letter is outlined and filled with a grid of small, glowing yellow-orange lights. The letters are set against a plain white background, casting a soft, dark shadow directly beneath them.

# We professionally hand wash cars while you're working

We partner with businesses to help busy people who enjoy a clean and presentable car to conduct their daily activities but have no time

## Added employee benefit

1. We agree on the day/time to come for you and your employees to enjoy a clean vehicle when you get off of work. *It's even proven a clean car enhances workflow!*

## Saves you time & money

2. We come directly to your parking lot / garage and you don't have to move your vehicle. We can arrange a location for Key Pickup.

8.5 x 11 Flyer

## Worry & hassle free

3. We hand wash all our customer cars without involving machine rollers that might damage the vehicles. NO MORE SCRATCHES

"I have been using speed Car HandWash to clean my member's and guest cars for the past year, and they always been completely satisfied with their execution. They do an excellent job, are always punctual, and offer the most competitive prices in Katy "

Richard Rowell, General Manager  
Willow Fork Country Club

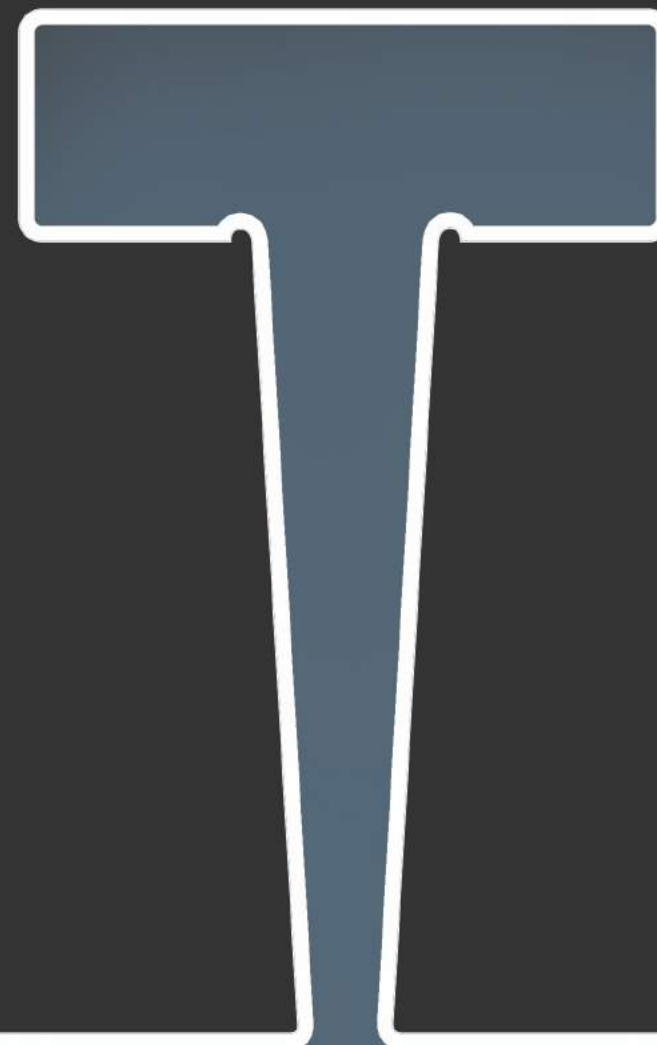

"Yo recomiendo Speed Car HandWash, dado que son confiables, responsables y honestos en el servicio que le dan a sus clientes. La oportunidad de que el servicio sea prestado en el espacio que ocupan nuestros vehiculos es invaluable."

Eduardo Medrano, Owner  
Medrano Administrative & Tax Services LLC
